Yusuf Estes *Is Doing It* Now:

He's *EXPOSING ISLAM*
Why Would He Do it?
What's Going On?
How Could He?

Some people are all mixed up about Islam and Muslims - (Yusuf Estes is now setting them straight)

Others are opposing what they don't understand - (He has seen the light and is telling all)

Some are endorsing what they don't understand - (Yusuf Estes is telling everything)

Some Muslims are speaking out ***AGAINST ISLAM - (What can they do? - He is saying the truth!)***

But what is the truth about this religion and the people that follow it?
