facebook: Halal? Haram?
Twitter? *Social Networks?*

OK for Muslims: *Yes? No?*

[Latest Yusuf Estes Video - Gives Answers](#)

Social Networking has become the new source of connecting with others around the planet, using the In

But is it *halal* (permitted) or *haram* (forbidden)?

Can Muslim children, teens and adults use these websites?

Can they put up pictures and images?

What about nasheeds (Islamic singing)?

Facebook: HALAL? HARAM? or What?

Is Quran OK to put on these sites?

Searching for marriage? Music? Meeting online?

What do scholars say about the latest and biggest ever, networking of human beings on earth?

An American convert to Islam, Yusuf Estes, gives us the balanced answer in simple terms. He tells us..
.. Islam is based on simple principles and we should not go to extremes.
